

## Essex Partnership News - *keeping you in touch*

### In Brief...

**Welcome** to the latest edition of the Essex Partnership News.

**In this edition we are pleased to announce some more details about the Essex Conference; explain about the Essex Strategy Review process and highlight opportunities coming up for partners and partnerships across Essex.**

### CYPSP – Children’s Trust Review

The Children & Young People’s Strategic Partnership would like to draw your attention to the following two consultation opportunities:

- Comment upon the final draft Children & Young People’s Plan (CYPP), 2009 – 2011.
- Feedback on proposals for future governance and decision making structures for the Children’s Trust across Essex

Visit the Essex Partnership [Consultation page](#) to take part in either of these consultations.

### Essex Conference 2009

Western Homes Community Stadium, Colchester  
Thursday 9<sup>th</sup> July 2009, 09.30 – 16.00

Thanks to an early booking, Ray Parker of South East Essex Primary Care Trust is the lucky winner of an exciting team away day, kindly donated by the Essex Fire & Rescue Service. We look forward to reporting more about SEE PCT’s experience with Fire colleagues in a future edition of EP News.

Workshop sessions at the conference are being developed alongside the emerging findings from the Essex Strategy Review. These sessions will be focussed, relevant and challenging, and we’re aiming for some new perspectives on solutions to the key issues we need to tackle in Essex. The Review points to some clear areas that are being tackled with a range of effective, multi-agency solutions to ensure the best quality of life in Essex. At the conference, delegates will be able to attend a range of highly interactive and challenging workshops on the following themes:

- Reducing health inequalities
- Safeguarding vulnerable people
- Improving educational attainment and skills
- Responding to the recession
- Mitigating Climate Change
- Improving Community Safety
- Strengthening Communities
- Cross-cutting issues

Keep an eye on the Essex Partnership website for more specific information about the workshops as they emerge in coming days. In addition, numerous informative and interactive stands will be available inside and outside the stadium, showcasing some of the best partnership initiatives Essex has to offer.

There are still places available to attend the conference or secure an exhibitor space so please **BOOK NOW** to attend or contact [kate.crofts@essex.gov.uk](mailto:kate.crofts@essex.gov.uk) for enquiries relating to exhibitor space. [Click here for the latest programme.](#)

## Essex Strategy Review

The deadline for the District LSP submissions to inform the Essex Strategy Review has now passed. LSP leads have been working hard to complete the templates provided and all completed templates are expected this week.

Colchester LSP completed their template early with a number of supporting case studies, all of which are featured on the Essex Partnership Website.

These contributions play a crucial part in telling the story of Essex and, together with the Annual Reports being prepared by Thematic Partnerships, will give a comprehensive understanding of how we're performing against the outcomes sought in the Essex Strategy. For an early preview of the findings make sure you book your place at the Essex Conference as soon as possible. [Book here](#)

## Total Place

At the Essex Partnership Forum in March, we heard that in Essex around £8 Billion is spent every year by public sector partners to improve the quality of life for Essex people. Essex has been offered some support from Improvement East to undertake a 'Total Place' project in the county.

Proposals are being developed with partners, but it should be an excellent opportunity to further develop our understanding about how all partners' activities and resources could be used even more effectively to drive through the outcomes that we all want to see.

Come along to the Essex Conference on 9th July to find out more about this exciting initiative. [Book here](#)

## Partnership Calendar

Below are dates for the next 3 months, you can view the full [Partnership Calendar online](#)
