'Having Regard To' Tables

Below are links to the latest versions of the 'Having Regard To' tables for statutory and non statutory partners. You will see from the tables that we have now had a response from nearly all statutory partners; plus a number of non statutory partners. A response has not been received yet from two of our statutory partners. The statutory partners table will need to be sent to GO East on Monday 16 March, so if there are any further updates to either of the tables please let us know via the Essex Partnership mailbox as soon as possible (email info@essexpartnership.org).

Essex Partnership Forum

March is a busy month for the Essex Partnership and on Tuesday 24th March Essex Partnership Forum will once again come together at Waterfront Place, Wharf Road, Chelmsford from 9am-2pm. The meeting will include updates from partners regarding their experience of the recession and a particular focus on health inequalities in Essex. This will include a chance to hear an update on the Joint Strategic Needs Assessment which maps the health needs of our communities and to discuss your local priorities for tackling the health inequalities we face. This is a complex issue which demands contributions from all of us. Please reply to this email to book your place.
